

STOP School Violence

Prevention and Mental Health Training Grant

Purpose

This competitive grant will support efforts by state and local units of government to prevent and reduce school violence. Specifically, the program will address:

- (1) training school personnel and students to prevent student violence;
- (2) development and operation of anonymous reporting systems against threats of school violence, including mobile telephone applications, hotlines, and websites; and
- (3) development and operation of school threat assessment and crisis intervention teams that may include coordination with law enforcement agencies and school personnel.

In addition, the program may fund specialized training for school officials in intervening and responding to individuals with mental health issues that may impact school safety.
